WHEREAS, the City Council of the City of Pflugerville, Texas (hereinafter referred to as "City"), finds that it is in the best interest of the City to adopt a franchise ordinance allowing SiEnergy Gas, LLC, ("SiEnergy" or "Company") to furnish and supply gas to the general public in the City, and to transport, deliver, sell, and distribute gas in, out of, and through said municipality for all purposes.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PFLUGERVILLE, TEXAS, THAT:

SECTION I. Grant of Franchise, Term, and Use

(A) City hereby grants to Company and its successors and assigns, subject to Section XIV herein, the right, privilege and franchise, and City's consent, to use and occupy the present and future Public Rights-of-Way of the City for the purpose of constructing, operating, maintaining, removing and replacing therein and thereon the System needed and necessary to transport, deliver, sell and distribute gas in, out of, and through the City, and to sell gas to persons, firms, and corporations, including all the general public, within the City's corporate limits.

(B) The term of this Ordinance begins on the Effective Date (as defined herein) and ends on December 31 of the calendar year in which the tenth (10th) anniversary of the Effective Date occurs.

Likewise, Company's acceptance of the terms of this Ordinance shall in no way affect or impair Company's rights, obligations or remedies under any federal, state or local law or regulation, nor shall such acceptance be deemed a waiver, release or relinquishment of Company's rights to contest, appeal or file suit with respect to any action or

(I) “Public Right(s)-of-Way” shall mean public streets, roadways, alleys, highways, bridges, public easements, public places, utility access easements, thoroughfares and sidewalks of the City, as they now exist or may be hereafter constructed or extended within the corporate limits of the City. (J) "System" or "System Facilities" shall mean all of the Company's pipes, pipelines, gas mains, laterals, feeders, regulators, meters, fixtures, connections and other infrastructure and appurtenant equipment used for or incident to providing delivery, transportation, distribution, supply and sales of natural gas for, but not limited to, heating, lighting and power, located within the corporate limits of the City.

(K) "Transport Customer" shall mean any Person for which Company delivers gas through the System of Company within the City for delivery or consumption within the City.

SECTION III. Construction, Maintenance, Operation & Relocation of Company System Facilities

(A) Company's System shall be initially constructed so as not to unreasonably interfere with any existing water and wastewater lines, electric facilities, storm sewer lines, open drainage areas, cable, fiber optic cable, roadways, sidewalks, alleys, traffic control devices, public signs, or any other publicly owned or publicly franchised facility. Company shall promptly clean-up, repair, and restore all thoroughfares and other surfaces which it may disturb.

(B) Permits

Company's facilities shall not unreasonably interfere with City-owned public works facilities and with vehicular and pedestrian use of Public Rights-of-Way. Company's operations within the Public Rights-of-Way are at all times subject to the City's Right-of-Way Management Ordinance (Chapter 96 of the City's Code of Ordinances), as amended. When required by the City's Right-of-Way Management Ordinance, as amended, Company must obtain a permit prior to commencing work in the Public Ways.

(C) Company shall install, maintain, construct, operate, remove and replace System facilities in accordance with applicable City ordinances and to not unreasonably interfere with traffic. In determining the location of new facilities of the City and other users of Public Right-of-Way within City, City shall minimize interference with then-existing System Facilities of Company and agrees to work with Company and other users of Public Right-of-Way to minimize, to the extent reasonably possible, interference with existing System Facilities of Company by other users of the Public Right-of-Way. In determining the location of the Company's new facilities in the City, the Company shall minimize interference with then-existing or documented planned underground structures of the City or with existing facilities of other users of the Public Right-of-Way. If Company's construction plans involve System infrastructure crossing or otherwise interfering with existing public uses of the Public Ways, Company must notify City of the planned interference and obtain direction from City on locating the infrastructure. In the event of a conflict between the location of the proposed System Facilities of Company and the location of the existing facilities of City or other users of Public Right-of-Way within Public Right-of-Way which the parties involved have been unable to resolve through their good faith efforts, City or an authorized agent of City shall resolve the conflict and determine the location of the respective facilities within the Public Right-of-Way, subject however to the terms and conditions of this Ordinance and giving effect to generally accepted industry operational and safety practices.

(D) Company's property and operations within the Public Right-of-Way of the City shall be subject to such reasonable rules and regulations of the City as may be authorized by applicable law from time to time for the protection of the general public.

(E) The City's annual and long-range capital improvements plans, as well as any updates or changes thereto, will be made available to Company upon request. City shall notify Company as soon as reasonably possible of any projects that will affect Company's System Facilities located in the Public Right-of-Way.

(F) Company's excavations in the Public Rights-of-Way are subject to all applicable requirements under the City's Right-of-Way Management Ordinance, as amended. Company's restoration of the Public Ways is subject to Section 96.51 of the City's Code of Ordinances, as amended. Any and all excavations and obstructions in and upon the Public Right-of-Way caused by the Company's operations under this Ordinance shall be repaired and removed within the dates specified in the applicable permit. If such repair and removal cannot be completed within the timeframe required under the applicable permit, Company must immediately notify City of such delay and request an extension from City. In the event that the Company fails to repair or restore an excavation site within fourteen (14) days after receipt of written notice from the City of a deficiency, the City may, at its option, perform the needed repair or restoration and the Company shall promptly reimburse the City for the reasonable cost of such repair or restoration.

All excavations shall be repaired in a good and workmanlike manner and restored to the approximate condition that existed prior to the excavation. Replacement of sod is to be of like kind, and smoothed, shaped, rolled, and compacted for proper landscape maintenance. The public shall be protected by barriers and lights placed, erected, marked, and maintained by the Company in accordance with the standards set forth in the current Texas Manual on Uniform Traffic Control Devices, as well as any other applicable local, state, and federal requirements. Company warrants that any such restoration work performed in the Public Rights-of-Way shall be in satisfactory condition for a period not to exceed two (2) years, to the extent that such restoration work has not been disturbed by other users of the Public Right-of-Way or by acts of God.

(G) The City reserves the right to lay, and permit to be laid, any City-owned facilities, such as storm water, sewer, gas, water, wastewater and other pipe lines, cable, and conduits, or other improvements, and to do and permit to be done any underground or overhead work that may be necessary or proper in, across, along, over, or under Public Right-of-Way occupied by Company. The City also reserves the right to change in any manner any City-owned curb, sidewalk, highway, alley, public way, street, and City-owned utility lines, storm sewers, drainage basins, drainage ditches, and other City facilities.

(H) If City, in constructing, reconstructing, improving, widening, or straightening its Public Right-of-Way, sewers, drainage, water lines, or other utilities, including modifications to sidewalks or other Public Right-of-Way required by the Americans with Disabilities Act, should request that Company remove or relocate its mains, laterals, and other System Facilities lying within Public Right-of-Way, Company shall do so at its own expense for System Facilities that are in conflict, unless such work is for the primary purpose of beautification or to accommodate a private developer. Company and City shall jointly determine whether System Facilities are in conflict and the extent that the proposed City facilities are determined by City and Company to be inconsistent with gas distribution industry standard safe operating practices for existing facilities. All such relocations shall be performed in accordance with applicable City ordinances. Company shall not be required to relocate System Facilities to a depth of greater than four (4) feet unless prior agreement is obtained from Company.

(I) When Company is required by City to remove or relocate its mains, laterals, and other facilities lying within Public Right-of-Way to accommodate a request by City, and costs of utility removals or relocations are eligible under federal, state, county, local, or other programs for

reimbursement of costs and expenses incurred by Company as a result of such removal or relocation, and such reimbursement is required to be handled through City, Company costs and expenses shall be included by City in any application by City for reimbursement if Company submits its cost and expense documentation to City prior to the filing of the application. City shall make all reasonable efforts to provide reasonable written notice to Company of the deadline for Company to submit documentation of the costs and expenses of such relocation to City for City to be able to submit its application for reimbursement to such program in a timely manner. Upon receipt of an amount of reimbursement intended for utility relocation including, but not limited to, gas utilities, City shall remit to Company, within sixty (60) days of receipt, the portion of reimbursement related to the relocation or removal of Company's facilities. If Company is required by City to remove or relocate its mains, laterals, or other System Facilities lying within Public Right-of-Way to accommodate a private developer or for projects whose primary purpose is beautification or for any reason other than the construction, reconstruction, improving, widening, or straightening of its Public Right-of-Way, sewers, drainage, water lines, or other utilities by City, Company shall be entitled to reimbursement of the cost and expense of such removal or relocation from the party requesting the removal or relocation.

(J) When Company is required to remove or relocate its mains, laterals or other System Facilities to accommodate construction by City without reimbursement from City, Company shall have the right to seek recovery of relocation costs as provided for in applicable state and/or federal law. Nothing herein shall be construed to prohibit, alter, or modify in any way the right of Company to seek or recover a surcharge from customers for the cost of relocation pursuant to applicable state and/or federal law. City shall not oppose recovery of relocation costs when Company is required by City to perform relocation. City shall not require that Company document request for reimbursement as a pre-condition to recovery from customers of such relocation costs pursuant to applicable state and/or federal law. Notwithstanding the foregoing, the City shall have the right to request other project documentation to the full extent provided by state law.

(K) If City abandons any portion of the Public Right-of-Way in which Company has System Facilities, for public safety reasons or in furtherance of a public project, City shall determine whether it is appropriate to retain a public utility easement in such Public Right-of-Way for use by Company. If City determines, in its sole discretion, that the continued use of the Public Right-of-Way by Company is compatible with the abandonment of the Public Right-of-Way, then in consideration of the compensation set forth in Section XI, and to the maximum extent of its right to do so, City shall grant Company an easement for such use, and the abandonment of the Public Right-of-Way shall be subject to the right and continued use of Company. If City determines, in its sole reasonable discretion, that it is not appropriate to retain a public utility easement in such Public Right-of-Way, Company shall be responsible, subject to the provisions of Section III, for relocating its System from such Public Right-of-Way, as directed by City. If Public Right-of-Way is sold, conveyed, abandoned, or surrendered by City to a third party, such action shall be conditioned upon Company's right to maintain use of the former Public Right-of-Way. If the third party requests Company to relocate its System from the former Public Right-of-Way, and if such relocation is agreed to by Company, such relocation shall be at the expense of the party requesting same. In addition, in the event of a third party requesting the relocation, if the relocation cannot practically be made to another Public Right-of-Way, the expense of any right-of-way acquisition shall be considered a relocation expense to be reimbursed by the party requesting the relocation.

(L) Upon request by City made no more often than once in any 12-month period, Company shall provide maps showing the location of its primary System Facilities. In addition,

Company shall cooperate in locating its System Facilities when necessary to avoid conflict and protect the health and safety of the public.

SECTION IV. Laying of Lines in Advance of Paving

(A) Whenever City shall conclude to pave any Public Right-of-Way in which Company's System Facilities already exist or in which Company may propose to install its System Facilities, Company will be provided the opportunity, at no expense to City, in advance of such paving to modify such System Facilities, if defective or inadequate in size, and to lay new System Facilities, or modify same, if inadequate in size or defective, next to the property lines where buildings are already located.

(B) At least ninety (90) calendar days prior to the planned paving or repaving of Public Right-of-Way, City shall give Company written notice of the intention of City to pave any such Public Right-of-Way. Upon receipt of such notice, Company shall initiate its review process to determine the need to modify its System Facilities, and the need to lay or modify service lines underneath the portions of the Public Right-of-Way to be paved. If Company determines such a need, Company shall promptly initiate such work and shall thereafter proceed in a good faith and workmanlike manner to completion of the necessary work within ninety (90) calendar days after receipt of the notice from the City. Company's failure to complete the necessary work within the ninety (90) day period may be excused at the City's discretion, if Company has promptly notified the City of the circumstances that have caused the delay and has requested an extension of the construction period. City shall grant the extension unless withheld for good cause.

SECTION V. Liability Insurance

In addition to any other insurance required under the City's Right-of-Way Management Ordinance, as amended, Company shall, at its sole cost and expense, obtain, maintain, or cause to be maintained, and provide, throughout the term of this Ordinance, insurance in the amounts, types and coverages in accordance with the following requirements. Such insurance may be in the form of self-insurance to the extent permitted by applicable law or by obtaining insurance, as follows:

(A) Commercial general or excess liability on an occurrence or claims made form with minimum limits of five million dollars (\$5,000,000) per occurrence and ten million dollars (\$10,000,000) aggregate. This coverage shall include the following:

- (1) Products/completed operations to be maintained for a warranty period of 2 years,
- (2) Personal and advertising injury,
- (3) Contractual liability, and
- (4) Explosion, collapse, or underground (XCU) hazards.

(B) Automobile liability coverage with a minimum policy limit of one million dollars (\$1,000,000) combined single limit each accident. This coverage shall include all owned, hired, and non-owned automobiles.

(C) Workers' compensation and employer's liability coverage. Statutory workers' compensation benefits in accordance with the statutes and regulations of the State of

Texas. Company must provide the City with a waiver of subrogation for workers' compensation claims.

(D) Upon request, the Company will provide proof of insurance in accordance with this Ordinance within thirty (30) days after such request. Company will not be required to furnish separate proof when applying for permits.

SECTION VI. Indemnity

THE COMPANY, ITS SUCCESSORS AND ASSIGNS, SHALL PROTECT AND HOLD THE CITY AND ITS OFFICERS, AGENTS, AND EMPLOYEES (COLLECTIVELY REFERRED TO IN THIS SECTION AS "THE CITY") HARMLESS AGAINST ANY AND ALL CLAIMS OR DEMANDS FOR DAMAGES TO ANY PERSON OR PROPERTY BY REASON OF THE CONSTRUCTION AND MAINTENANCE OF THE COMPANY'S NATURAL GAS SYSTEM, OR IN ANY WAY GROWING OUT OF COMPANY'S EXERCISE OF THE RIGHTS GRANTED BY THIS FRANCHISE, EITHER DIRECTLY OR INDIRECTLY, OR BY REASON OF ANY ACT, NEGLIGENCE OR NONFEASANCE OF THE COMPANY OR THE CONTRACTORS, AGENTS OR EMPLOYEES OF THE COMPANY OR ITS SUCCESSORS AND ASSIGNS, AND SHALL REFUND TO THE CITY ALL SUMS WHICH THE CITY MAY BE ADJUDGED TO PAY ON ANY SUCH CLAIM, OR WHICH MAY ARISE OR GROW OUT OF THE EXERCISE OF THE RIGHTS AND PRIVILEGES HEREBY GRANTED OR BY THE ABUSE THEREOF, AND THE COMPANY OR ITS SUCCESSORS AND ASSIGNS SHALL INDEMNIFY AND HOLD THE CITY HARMLESS FROM AND ON ACCOUNT OF ALL DAMAGES, COSTS, EXPENSES, ACTIONS, AND CAUSES OF ACTION THAT MAY ACCRUE TO OR BE BROUGHT BY, A PERSON, PERSONS, COMPANY OR COMPANIES AT ANY TIME HEREAFTER BY REASON OF THE EXERCISE OF THE RIGHTS AND PRIVILEGES HEREBY GRANTED, OR OF THE ABUSE THEREOF.

SECTION VII. Installation of Meter

If a meter is to be installed in or near the Public Rights-of-Way, Company agrees to discuss with the City's representative the aesthetics of the meter placement and to accommodate the request of City to the maximum extent possible. Company meters and placement thereof must meet all landscaping, aesthetic, and other applicable requirements under the City's Code of Ordinances, as amended. If City requests a meter upgrade, Company will comply so long as City reimburses Company for the reasonable costs incurred by Company in changing meters. In no event, however, shall underground meters be required.

SECTION VIII. Rates

Company shall furnish reasonably adequate service to the public at reasonable rates and charges therefor, and Company shall maintain its System in good order and condition. Such rates shall be established in accordance with all applicable statutes and ordinances. Company shall maintain on file with the City copies of its current tariffs, schedules, or rates, and charges and service rules and regulations applicable to the City. The rates and charges collected from its customers in the City shall be subject to revision and change by either the City or Company in the manner provided by law.

SECTION IX. Extensions of Mains

Company shall not be required to extend mains on any Public Right-of-Way more than one hundred (100) feet for any one consumer of gas; provided, however, Company is not required to extend its mains or facilities if the customer will not use gas for space heating and water heating, or the equivalent load, at a minimum.

SECTION X. Non-Exclusive Use

The rights and privileges granted to Company by this Ordinance are not to be considered exclusive and City hereby expressly reserves the right to grant, at any time, like privileges and rights as it may see fit to any other person or corporation for the purpose of furnishing gas for, but not limited to, light, heat, and power to and for City and the inhabitants thereof.

SECTION XI. Franchise Fee and Payment

(A) In consideration of the privilege granted by the City to Company to use and occupy the Public Rights-of-Way in the City for the purposes stated herein, Company and its successors and assigns agree to deliver and pay to City, and City agrees to accept, a franchise fee in an amount equivalent to five percent (5%) of the Company's Gross Revenues as defined in Section II. During the term of this Ordinance, Company shall collect from its Customers and pay the City on January 31st (for the last six months of the prior calendar year) and July 31st (for the first six months of the calendar year).

(B) Each payment due during the term of this Ordinance will be made on or before the close of business on the payment due date. If any payment due date required by this Ordinance falls on a weekend or declared bank holiday, payment shall be made by the close of business on the next working day.

(C) The franchise fee amounts that are due based on CIAC shall be paid at least once annually on or before April 30 each year based on the total CIAC recorded during the preceding calendar year. The initial CIAC franchise fee amount will be paid on or before April 30, 2026, and will be based on the calendar year January 1 through December 31, 2025. The final CIAC franchise fee amount under the initial term will be paid on or before April 30, 2036, and will be based on the calendar year January 1 through December 31, 2035.

(D) It is expressly agreed that the franchise fee payments shall be in lieu of any and all other and additional occupation taxes, easement, franchise taxes or charges (whether levied as a special or other character of tax or charge), municipal license, permit, and inspection fees, bonds, street taxes, and street or alley rentals or charges, and all other and additional municipal taxes, charges, levies, fees, and rentals of whatsoever kind and character, including, without limitation, any charges under Chapter 182 of the Texas Tax Code (collectively, the "Other Charges") that City may now impose or hereafter levy and collect from Company or Company's agents, excepting only the usual general or special ad valorem taxes that City is authorized to levy and impose upon real and personal property and Company's separate obligation to reimburse the City for street repairs in accordance with this Ordinance. Should City not have the legal power to agree that the payment of the franchise fees shall be in lieu of the Other Charges, then City agrees that it will apply so much of said franchise fee payments as may be necessary to satisfy Company's obligations, if any, to pay such Other Charges.

(E) If Company fails to pay when due any payment provided for in this section, Company shall pay such amount plus interest consistent with the rate for customer deposits under Texas Utilities Code Section 183.003 from such due date until payment is received by City.

(F) SiEnergy Franchise Fee Recovery Tariff.

(1) The Company may from time-to-time file with the City a tariff amendment(s) to provide for the recovery of the franchise fees payable by the Company under this Ordinance.

(2) City agrees that it will take no action, nor cause any other person or entity to take any action, to prohibit the recovery of such franchise fees by the Company.

(G) In order to determine the Gross Revenues received by Company, Company agrees that quarterly, on the same date that payment is made as provided in the preceding paragraphs of this section, it will provide a statement showing the amount of Gross Revenues for the period covered by the payments.

(H) Within thirty (30) days after receipt of a request by Company following the effective date of this Ordinance, the City shall provide Company (at the notice address specified in Section XVI) with maps clearly showing the location of the boundaries of the City. Within thirty (30) days after City annexes property into, or de-annexes property from, the territory of City, City shall provide Company (at the notice address specified in Section XVI) with maps clearly showing the location of the boundaries of such annexed or de-annexed property. Within sixty (60) days, or such additional time as mutually agreed to by the City and Company, after Company's receipt of (i) written notice from the City that the City has annexed territory into the City and (ii) maps showing clearly the areas annexed, the Company shall revise its accounting records to include the annexed territory, and Company's customers therein, within the City. After such time period, Gross Revenues related to Company's customers whose consuming facilities' points of delivery are located within such annexed area shall be included in the calculation of the franchise fee payable under this Ordinance. Likewise, Gross Revenues related to Company's customers whose consuming facilities' points of delivery are in any area de-annexed by City shall cease to be included in the calculation of the franchise fee payable under this Ordinance upon the effective date of such disannexation.

SECTION XII. Retention, Accessibility and Confidentiality of Records

(A) Company shall maintain the fiscal records and supporting documentation for payments of Gross Revenues associated with this Ordinance for not less than five years.

(B) Company gives City, its designee, or any of their duly authorized representatives, access to and the right to examine relevant books, accounts, records, audit reports, reports, files, documents, written material, and other papers belonging to or in use by Company pertaining to the franchise fee payable under this Ordinance (the "Records") during the Company's regular business hours and at the Company's principal offices upon receipt of thirty (30) days' written notice from the City. The City's access to the Records will be limited to information needed to verify that, within the two (2) year period prior to such access to the Records, Company is and has been complying with the terms of this Ordinance. If such an examination reveals that Company has underpaid the franchise fee to City, then upon receipt of written notification from City regarding the existence of such underpayment, Company shall undertake a review of City's claim and, if said underpayment is confirmed, remit the amount of underpayment to City, including

any interest calculated in accordance with Section XI(E). The cost of the audit shall be borne by City unless the Company is finally determined to have underpaid the franchise fee by five percent (5%) or more, in which case the reasonable costs of the audit shall be immediately reimbursed to the City by Company. The rights to access the Records shall terminate two (2) years after the termination or expiration of this Ordinance. Company agrees to maintain the Records in an accessible location.

(C) Any information that is not required by law to be made public shall be kept confidential by City. The City shall provide notice to Company of any request for release of information previously designated by Company as proprietary or confidential non-public information prior to releasing the information to allow Company adequate time to pursue available remedies for protection. If the City receives a request under the Texas Public Information Act that includes Company's previously designated proprietary or confidential information, City will request an opinion from the Texas Attorney General as to the confidential or the proprietary nature of the information. The City also will provide Company with notice of the request, and thereafter Company is responsible for establishing that an exception under the Texas Public Information Act allows the City to withhold the information.

SECTION XIII. Renegotiation

If either the City or Company requests renegotiation of any term of this Ordinance, Company and City agree to renegotiate in good faith revisions to all terms of this Ordinance. If the parties cannot come to agreement upon any provisions being renegotiated, then the existing provisions of this Ordinance will continue in effect for the remaining term of the Ordinance.

If Company should at any time after the effective date of this Ordinance agree to a new municipal franchise ordinance, or renew an existing municipal franchise ordinance, with another municipality in Company's service territory, which municipal franchise ordinance determines the franchise fee owed to that municipality for the use of its public rights-of-way in a manner that, if applied to the City, would result in a franchise fee greater than the amount otherwise due City under this Ordinance, then the franchise fee to be paid by Company to City pursuant to this Ordinance may, at the election of the City, be increased so that the amount due and to be paid is equal to the amount that would be due and payable to City were the franchise fee provisions of that other franchise ordinance applied to City.

SECTION XIV. Termination

(A) The City, in accordance with subsection (B) below, may terminate this Ordinance and all rights and privileges pertaining thereto, in the event that the Company violates any material provision of this Ordinance (an "Event of Default").

(B) Uncured Events of Default.

- (1) Upon the occurrence of an Event of Default which can be cured by the immediate payment of money to City or a third party, Company shall have thirty (30) days (or such additional time as may be agreed to by the City) after receipt of written notice from City of an occurrence of such Event of Default to cure same before City may exercise any of its rights or remedies pursuant to Section XIV(C).

- (2) Upon the occurrence of an Event of Default by Company which cannot be cured by the immediate payment of money to City or a third party, Company shall have sixty (60) days (or such additional time as may be agreed to by the City) after receipt of written notice from City of an occurrence of such Event of Default to cure same before City may exercise any of its rights or remedies pursuant to Section XIV(C).
- (3) If the Event of Default is not cured within the time period allowed for curing the Event of Default as provided for herein, such Event of Default shall, without additional notice, become an Uncured Event of Default, which shall entitle City to exercise the remedies pursuant to Section XIV(C).

(C) Remedies. Upon receipt of a notice of an alleged Uncured Event of Default as described in Section XIV(B), which notice shall specify the alleged failure with reasonable particularity, the Company shall, within the time periods specified in Section XIV(B) or such longer period of time as may be agreed to by the City, either cure such alleged failure or, in a written response to the City, present facts and arguments in refuting or defending such alleged failure, or state that such alleged failure will be cured and set forth the method and time schedule for accomplishing such cure. In the event that such cure is not forthcoming or the City determines that an unexcused "Uncured Event of Default" has occurred, City shall be entitled to exercise any and all of the following cumulative remedies:

- (1) The commencement of an action against Company at law for monetary damages.
- (2) The commencement of an action in equity seeking injunctive relief or the specific performance of any of the provisions, which as a matter of equity, are specifically enforceable.
- (3) The termination of the franchise granted herein.

(D) Remedies Not Exclusive. The rights and remedies of City and Company set forth in this Ordinance shall be in addition to, and not in limitation of, any other rights and remedies provided by law or in equity. City and Company understand and intend that such remedies shall be cumulative to the maximum extent permitted by law and the exercise by a party of any one or more of such remedies shall not preclude the exercise by such party, at the same or different times, of any other such remedies for the same failure to cure. However, notwithstanding this Section or any other provision of this Ordinance, City shall not recover both liquidated damages and actual damages for the same violation, breach, or noncompliance, either under this Section or under any other provision of this Ordinance.

(E) Termination. The franchise granted herein may be terminated only in accordance with the provisions of Section XIV(C). City shall notify Company in writing at least thirty (30) business days in advance of the City Council meeting at which the question of termination shall be considered, and Company shall have the right to appear before the City Council in person or by counsel and raise any objections or defenses Company may have that are relevant to the proposed forfeiture or termination. The final decision of the City Council may be appealed to any court or regulatory authority having jurisdiction. Upon timely appeal by Company of the City Council's decision terminating the franchise granted herein, the effective date of such termination shall be either when such appeal is withdrawn or a court order upholding the termination becomes final and unappealable. If no appeal is filed, the effective date of such termination shall be the

thirtieth (30th) day following the date of the final termination decision of the City Council. Until the termination becomes effective, the provisions of this Ordinance shall remain in effect for all purposes.

SECTION XV. Successors and Assigns

Company's rights under this Ordinance shall not be assigned or transferred without the written consent of the City, which consent shall not be unreasonably withheld; provided, however, that Company may assign its rights under this Ordinance to a parent, subsidiary, affiliate or successor entity without such consent, so long as such parent, subsidiary, affiliate or successor (i) assumes all obligations of Company hereunder, and (ii) is bound to the same extent as Company hereunder. Company shall give the City sixty (60) days prior written notice of any assignment to a parent, subsidiary, affiliate or successor entity. Any required consent shall be expressed by an ordinance that fully recites the terms and conditions, if any, upon which such consent is given. Any assignment or transfer effected prior to the City's approval thereof, if required, shall authorize the City to treat such assignment or transfer as an Uncured Event of Default and immediately implement the provisions of Section XIV, including the right to terminate the franchise granted herein.

SECTION XVI. Notices

Any notice required or permitted to be delivered hereunder shall be deemed received if sent electronically to the email address provided below, if applicable, and: (i) delivered in person to the applicable address set forth below; (ii) deposited in an official depository under the regular care and custody of the United States Postal Service located within the confines of the United States of America and sent by certified mail, return receipt requested, and addressed to such party at the applicable address set forth below; or (iii) delivered to such party by courier receipted delivery to the applicable address set forth below. Either party may designate another address within the confines of the continental United States of America for notice, but until written notice of such change is deemed received by the other party as provided above, the last address of such party designated for notice shall remain such party's address for notice.

No waiver of any breach or violation of any term of this Ordinance shall be deemed or construed to constitute a waiver of any other breach or violation, whether concurrent or subsequent, and whether of the same or a different type of breach or violation.

SECTION XX. Paragraph Headings; Construction

The paragraph headings contained in this Ordinance are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several paragraphs hereof.
