Mr. Fletcher,

My name is Clint Shuman and I am the assistant principal at Park Crest Middle School. I had a question that I hoped you could help us with. We are wanting to get an electronic marquee for the campus but we were told that we could not have one due to City of Pflugerville ordnance. What is the process to get a waiver? What would our chances be to get a waiver? If we had an electronic marquee we might even be able to post things on it for city when there are events in the area. Thanks for taking the time to respond and look into this for me. If you would like to call my number is 512-594-2417. Have a great day.
