

## Fire Hydrant Flow Test Request Form

Flow Test results will be delivered within 7 business days of submitted request. Incomplete or illegible forms will not be accepted. Each request form must be accompanied by an exhibit illustrating which hydrants are to be tested (static & residual) and a check for \$250 payable to the City of Pflugerville.

Hydrants only located within Public Right of Way or dedicated Public Easement will be tested. All requests must be submitted to the City of Pflugerville Engineering Department.
