Submitted to Dave Madden/Urban Forester  
Client: City of Pflugerville  
Phone: 512-990-6369  
Job Title: Pflugerville Lake Irrigation  
Job Locations: Pflugerville, TX 78660

We are pleased to offer you our proposal to furnish the material and labor the following:

Installation of the infrastructure to support the newly planted and future trees with drip irrigation. The proposed irrigation system is going to be solar powered with the ability to expand into miles of trail expansion. This price includes all permits, DCA text and design. It will come with a one year warranty and a two-wire capable irrigation controller with flow sensor, weather station and an expandable Rain Bird controller.

The system will start with (2) 2" valves.

We propose hereby to furnish the material and labor necessary to complete the base bid project in accordance with the above specifications, for the sum of **60,000.00** Sixty thousand dollars and 00/100\*\*\*\*\*

**\* Cooperative fees are included in the proposal.**

Feel free to contact Shane Gibson with any questions, or comments regarding the scope of this proposal. All work is to be completed in a workmanlike manner according to standard practices. Any alteration, or deviation from the above specifications involving extra cost will be executed only upon written approval and will become an extra charge over and above this estimate.
