5. Public Comment

Danny Selman, 200 Willow St., spoke concerning the extension of Willow to south development. He stated that the developer has been told that he must provide for the connection based on current policy but the policy does not recognize the development that has happened since the policy was established and they don't know what will be south of the townhomes. He voiced concerns regarding the traffic. He stated that Council should vote to give new policy.

Jeff Reeb, 600 E. Pfluger St., stated that he was speaking on item 10A regarding connectivity. He stated that Willow is a dead end street at this point. He stated that it is supposed to be extended with the townhouses. He explained that he is against Willow Street going through due to the traffic issues. He stated that he would like to see Willow permanently closed.

Paul Weitkemper, 497 E. Pfluger St., spoke regarding the traffic backing up past Willow Street on Pecan and people going down the middle lane and people already turning onto Willow to try to find a way out. He stated if access is given, everyone will come through the neighborhood. He asked that they give the builder the right to keep Willow closed.

Action on the Consent Agenda

Mr. Heath made a motion to approve the consent agenda. Mr. McDonald seconded the motion. All voted in favor. The motion carried.

10. Discuss and consider action

10A. [2019-7458](#) Discuss and consider action regarding street connectivity policies.

Ms. Barron presented on the item and announced that the Pflugerville Pforward Open House would take place on April 30, 2019. Mr. Heath spoke on the need to look at this as a whole. He stated that he thinks that a traffic study needs to be done for the townhomes project to give some basis for decision making. Council discussion followed. Mr. Metayer stated a need to look at zoning, traffic impact studies, and other factors that come into play. Mr. Heath stated a need to have a discussion about enhancing connectivity. Mr. McDonald asked what the action is. Ms. Breland stated that tonight's item is an education item to have a broader conversation. Mr. McDonald stated that it seems the city has policies in place for this and he asked why they were asked to have this discussion. Mr. Weiss stated that people have asked to have the policy changed because they are worried about development and the extension of Willow Street. Ms. Barron stated that they just had the pre-application conference with the developer last week. Mr. Metayer verified with Ms. Barron that the city has not received an application for a variance. Mr. McDonald asked what the process is for a citizen to oppose the extension of a road. Ms. Barron stated that a written letter with the request would need to be addressed to the City Manager and then staff would bring forward for specific action. Mr. McDonald confirmed that the letter would start a formal procedure. Ms. Barron indicated yes, for amendment of the comprehensive plan. There was continued discussion. Mr. Heath stated that this is not a singular issue that will be figured out this evening. Mr. Weiss indicated the traffic issue at Pecan and 685 is a factor and they have to look at it as a bigger picture and at the long-term perspective. There was continued discussion. Mr. Heath asked if they could make sure Willow is addressed as a collector as the city goes through the master transportation plan process. Ms. Barron stated that they can talk with the consultant. Mayor Pro Tem Peña encouraged all those concerned to attend the master transportation plan meeting. Ms. Barron noted that those who are unable to attend can provide their concerns on the city website. Mr. Weiss asked for a summary of what they plan to do. Ms. Breland stated that they will wait to see if the city receives an application. Mr. Heath asked to make Willow an expedited analysis and to provide a report. Ms. Breland stated that they will make it a priority and will talk to the consultant to look at it specifically. No action was taken on the item.

10B. [2019-7548](#) 1.) Executive Session Item: Consultation with legal counsel pursuant to Section 551.071 of the Texas Government Code for discussion regarding contractual issues relating to the Weiss Lane Roadway Project. 2.) Open Session Item: Discuss and consider action regarding the Weiss Lane Roadway Project.

There was no discussion or action on the item.
