

**MAYOR’S PROCLAMATION  
DECLARING SEPTEMBER 15-21 2024 AS  
FORENSIC SCIENCE WEEK  
IN THE CITY OF PFLUGERVILLE**

**WHEREAS**, forensic science plays a crucial role in the criminal justice system by applying scientific principles to solve crimes and uphold justice; and

**WHEREAS**, forensic scientists use their expertise in various disciplines, including biology, chemistry, and digital analysis to aid law enforcement agencies in investigating and solving crimes; and

**WHEREAS**, crime scene investigators, forensic examiners and forensic scientists provide unbiased, accurate and reliable analysis of evidence recovered; and

**WHEREAS**, the advancement of forensic science and the education of professionals in this field contribute to the safety and well-being of our communities; and

**WHEREAS**, recognizing the dedication and achievements of forensic scientists fosters a greater understanding and appreciation of their vital contributions; and

**NOW THEREFORE**, be it resolved that I, Victor Gonzales, Mayor of the City of Pflugerville, Texas, proclaim Forensic Science Week, September 15-21, 2024 and encourage all residents to recognize and celebrate the invaluable work of forensic scientists.

**IN OFFICIAL RECOGNITION WHEREOF**, I hereby affix my signature this 10<sup>th</sup> day of September, 2024.
