APPLICATION FOR APPOINTMENT TO THE
PLANNING AND ZONING COMMISSION (P&Z)

All information provided in this application is public information pursuant to the provisions of the Texas Public Information Act.

The Planning and Zoning Commission approves or disapproves plats of proposed subdivisions; reviews and makes recommendations on the zoning of land; annually submits an annexation plan and a 5-year capital improvements plan; drafts rules and regulations governing platting and subdividing of land and recommends them to the City Council for adoption; amends the comprehensive plan for the physical development of the City and recommends the comprehensive plan to the City Council for approval. The Planning and Zoning Commission is composed of 7 regular members serving two-year terms.

Candidates are required to be registered voters of the City and to have resided within the corporate limits for at least twelve months preceding the appointment and must not be employed by or hold any other position in the City's government. All appointments are made by and at the discretion of the City Council. Because vacancies may arise before the next regular appointment period, all applications are kept on file until the next application period.

What are your thoughts or philosophy on Pflugerville's growth and its future?

- Pflugerville needs to continue to develop an identity apart from a bedroom community.
- For a city to grow and to grow well is sometimes a challenge; over the past decade Pflugerville has grown fast to a size where we need to focus on growing well.

What do you see as the most significant planning-related issue to the City (short term and long term) and how do you think the Commission could help to provide solutions?

- Economic development and the development of employment opportunities within the city.  
Possible Commission Solution: review/adjust development code and zoning to lessen conflicts with potential commercial or industrial development.
- Paying for growth and the amenities that residents and future residents will want.  
Possible Commission Solution: contribute to discussions regarding appropriate development fees or private/public partnerships as appropriate.
- Coordinate with PISD in the construction of new facilities  
Possible Commission Solution: review plans, offer solutions, and adjust zoning as appropriate.
- Managing our water supply and working with surrounding cities and utility districts  
Possible Commission Solution: Unsure

What do you feel are some of the factors, both positive and negative, which go into making a residential neighborhood a "good place to live?"

- Ability for residents to interact; walkability
- Parkland or open space for residents
- A degree of required upkeep of structures and property, whether city code or HOA requirements

What do you feel are some factors, positive and negative, that contribute to a good commercial or industrial area?

- Transportation and utility access
- The ability to re-purpose an area after the initial tenant moves out
- A buffer between more intense uses and residential areas

Please provide any additional information you feel would be useful to the City Council in considering your application. Please use additional sheets as necessary. A cover letter and/or resume may also be submitted with the application.
