

ISSUE DATE: September 7, 2012

TO: Engineering Firms

FROM: James Wills, Public Works Director
City of Pflugerville, Texas

SUBJECT: Request for Statements of Qualifications
Rowe Loop Wastewater Service Extension Project

The City of Pflugerville (City) is requesting a Statement of Qualifications (SOQ's) from qualified consulting engineering firms **for professional engineering services associated with final design, bidding, and construction administration of the Rowe Loop Wastewater Service Extension Project.** Enclosed for your consideration is a Request for Statement of Qualifications (RFQ).

To be considered for this project, your firm must meet the qualifications and satisfy the requirements set forth in the RFQ. If you are interested in being considered, please **submit your SOQ by 5:00 p.m., Friday, September 28, 2012** to the person listed below. The submission date for questions, clarifications, or **requests for general information will be 2:00 pm: Friday, September 21, 2012.** Any requests received after this date will be returned and not addressed. Note that all questions, clarifications, or request for general information are to be **in writing via email** or other mail carrier to the City's Project Manager.

A committee consisting of City of Pflugerville staff will rate the SOQ's relative to the evaluation criteria developed for this project. Said evaluation criteria are attached to this RFQ. This may include interviewing one or more firms by the selection committee. The firm with the highest rated SOQ inclusive of the interview, when applicable, will be recommended to City Council for consultant selection.

Any questions and correspondence should be directed to:

Mr. James Wills
Public Works Director
City of Pflugerville
P.O. Box 589
Pflugerville, Texas 78691-0589
(512) 251-9935
Fax: (512) 989-1052
jwills@cityofpflugerville.com

Contact regarding this project with any City of Pflugerville personnel or officials other than Mr. James Wills or his designated representative after the issue date of this RFQ will be grounds for removal of the firm from consideration.

REQUEST FOR STATEMENT OF QUALIFICATIONS
City of Pflugerville
Rowe Loop Wastewater Service Extension Project

I. INTRODUCTION

A. General Information

The City of Pflugerville is requesting SOQ's from qualified consulting engineering firms to complete final design, bidding, and construction administration for the following project:

Rowe Loop Wastewater Service Extension Project

There is no expressed or implied obligation for the City of Pflugerville to reimburse responding firms for any expenses incurred in the preparation of a SOQ in response to this request. The City reserves the right to increase or decrease the scope of work related to this project as outlined in this RFQ after a firm is selected to accommodate changes in the needs of the City and serve the best interests of the City.

B. Submittal Requirements

To be considered, **5 (five) hardcopies and 1 (one) CD** of the SOQ must be received, as outlined in section III of this RFQ, by **September 28, 2012**. The City of Pflugerville reserves the right to reject any or all SOQ's submitted.

C. Evaluation and Selection

SOQ's submitted will be evaluated by a committee consisting of City of Pflugerville staff. During the evaluation process, the City of Pflugerville reserves the right, where it may serve the City of Pflugerville's best interest, to request additional information or clarifications from responders, or to allow corrections of errors or omissions.

Review of Proposals:

1. The committee will review the SOQ's at its earliest convenience after the submittal deadline date.
2. The SOQ's will be reviewed and rated relative to the evaluation criteria established for this project. Said evaluation criteria are attached to this RFQ.
3. If necessary, the committee will invite one or more responsive firms to make a presentation before the committee.
4. The committee will recommend the firm with the highest rated SOQ to City Council for consultant selection.
5. City Council will consider the committee recommendation at its earliest convenience.
6. Following consultant selection, de-briefing meetings with City staff may only be available if time permits and will be by appointment with the City's Project Manager.

II. NATURE OF SERVICES REQUIRED

A. General

The City of Pflugerville is soliciting the services of qualified consulting engineering firms to accomplish the project outlined in this RFQ. This project is to be performed in accordance with the provisions contained in this Request for Statement of Qualifications.

B. Scope of Work to be Performed: Technical Expertise

The City of Pflugerville will require the selected firm to:

1. This project will include the installation of approximately 8,200 linear feet of 8-inch diameter sanitary sewer, decommissioning of the Steed's Crossing Lift Station, installation of service laterals to residences connected to current City system, and establishment of easements where required by the work. The final alignment will be determined as part of the final engineering efforts.
2. Prepare 30% engineering plans including an engineer's opinion of most probable construction cost, project management plan, and geotechnical investigation. These documents will be for obtaining required easements and extending wastewater service to Rowe Loop. The project may include adjustment of existing facilities and phased construction.
3. Prepare final construction plans and specification for the above project. A final engineer's opinion of most probable construction cost shall be included.
4. Final engineering construction documents shall include but not be limited to: topographic and boundary surveys where required, geotechnical investigation, environmental assessment and environmental clearances, Phase I Archaeological Survey including subsurface testing and clearances through the Texas Historical Commission, identification of utility conflicts, required utility adjustments and replacements, coordination with utility companies, determination of ROW/easement acquisition, preparation of ROW/easement acquisition metes/bounds and sketch, preliminary and final engineer's opinion of probable construction cost, project manual and any other items necessary to successfully construct this project.
5. Design this project in accordance with the City of Pflugerville's 2011 Edition of the Uniform Development Code and May 2005 Edition of the Engineering Design Guidelines & Construction Standards.
6. Have extensive knowledge and expertise in the areas of sanitary sewer and lift station design, surveying, geotechnical services, and coordination with municipal and state agencies.
7. Assist the City of Pflugerville with advertising for construction bids, opening bids, and evaluating the bids received.
8. Provide construction administration services including startup, warranty and close out.
9. Resident Project Representative services shall be provided by the City.

III. SUBMISSION OF STATEMENTS OF QUALIFICATIONS

Interested and qualified firms or teams are invited to submit one (1) original, five (5) copies and one (1) CD of materials that demonstrate their experience in performing a project of this scale and complexity. The SOQ shall be submitted by a lead firm but may contain services from subconsultants. **Documentation should be limited to 15 single sided pages and include the below items. Statement of Interest Letter and Resumes do not count in the 15 page limit.**

1. City is interested in the experience of the Project Manager, Project Principal and the firm(s) similar project experience to the project described in this solicitation. Project Manager and Project Principal must be employed by the prime firm and may be the same individual. Project Manager must be licensed as a professional engineer in the State of Texas at the time of submittal. List the location of the offices proposed to work on the project as well as contact information and who is to be the sole agent for contact with the City for this project.
2. Prime firm and sub consultants must have adequate and experienced current staff (including professionals registered in applicable fields, other professionals, and technicians) to competently and efficiently perform the work. Provide detail of the firm's qualifications as well as aspects of each firm that will benefit this project if selected. Identify project leadership, reporting responsibilities, how prime firm will interface with City's project manager and the sponsoring department, and how sub consultants will work within the management structure. Provide resumes of each firm/team member along with a list of major services offered by each firm/team member.
3. City is interested in the prime firm's history and success with projects of similar programs, budgets, and/or clients as the project described in this solicitation. List no more than five projects for meeting these criteria which have been completed in the past five years. In addition, City may consider history of firm in complying with project programs, schedules, and budgets on previous City projects.
4. Areas of sub consulting which will be evaluated are identified in the project description. The City is interested in the proposed sub consultants' history and success with projects of similar programs, budgets, and/or clients as the project described in this solicitation. List no more than three (3) projects per sub consultant meeting these criteria which have been completed in the past five years. In addition, City may consider history of firms in complying with project programs, schedules, and budgets based on previous City projects.
5. City is interested in team's (including sub consultants) experience within Central Texas and the City of Pflugerville, as may be evidenced by existence of local offices or work in the area during the past five (5) years. Briefly describe experience in the following areas and reference projects relating to that experience:
 - Site development and/or building permit requirements
 - Area construction in the public right of way
 - Area construction costs and practices
 - Public awareness and involvement in project development in the Pflugerville area.
6. City is interested in team's organizational structure, their understanding of the project issues and their approach to the project. Describe how the project will be formatted from Design to Completion, any firm specific tools that will be used in the project and describe any significant project issues with the team's approach in addressing those issues.

Submittals shall EITHER be mailed to:

Mr. James Wills, Public Works Director

C/O Sabrina Schmidt
City of Pflugerville
P.O. Box 589
Pflugerville, Texas 78691-0589

OR submittals shall be delivered to:

Mr. James Wills, Public Works Director
C/O Sabrina Schmidt
City of Pflugerville
100 East Main Street, Suite 100
Pflugerville, TX 78660

All submittals must be received no later than 5:00 p.m., Friday, September 28, 2012.

IV. ADDITIONAL MATERIALS

Any information or material provided beyond that requested in this RFQ may not be considered by the City.
