

The City of Pflugerville, Texas is soliciting bids for furnishing all labor, materials, tools and equipment and performing all work required for the **Surface Water Treatment Plant Standby Generator Pre-Selection** which consists of supplying a standby Tier 4 electric generator, automatic transfer scheme, and related switchgear,. The City of Pflugerville intends to issue a purchase order for this hardware and then to assign the purchase order to the project installation Contractor to be chosen through a competitive bid process. Bids will be received until **11:00 a.m. on Thursday, September 23, 2021.**

Copies of the specifications and bid documents will be on file and may be examined at the following location:

- www.civcastusa.com, Project ID – **“Surface WTP Standby Generator Pre-Selection”**

Separate sealed bids addressed to the City of Pflugerville, will be received until **Thursday, September 23, 2021 at 11:00 A.M.** at the City of Pflugerville City Hall, 100 East Main, Suite 100, Pflugerville, Texas 78660 at which time they will be publicly opened and read aloud at Suite 500. A **Non-Mandatory Pre-Bid Conference** will be held virtually at **2:00 p.m. on September 17, 2021**, refer to Civcast for meeting details.

The City of Pflugerville reserves the rights to reject any and all bids and to waive any informalities in bids received; to eliminate a portion of the work or add additional work as required to keep the total contract amount within the funds budgeted; to award any parts or combination of parts of the project it deems necessary; and any other rights established under the laws of the State of Texas.
