

CITY OF PFLUGERVILLE INVITATION FOR BIDS

City of Pflugerville, Texas
County of Travis

Separate sealed bids addressed to the City of Pflugerville, will be received until 2:00P.M. on July 28th, 2021 at the City of Pflugerville City Hall, 100 East Main, Suite 100, Pflugerville, Texas 78660 at which time they will be publicly opened and read aloud at Suite 500, for furnishing all labor; material, tools and equipment and performing all work required for the Lake Pump Station Backup Generator Project which consists of approximately supplying and installing a standby electric generator and automatic transfer switch. This includes, but is not limited to the site civil work for drainage and equipment pad, underground ductbank, wire, conduit, interconnection of this into the existing electrical distribution and controls infrastructure along with integration of this equipment into the existing SCADA system.

Bids must be submitted on the Proposal and Bid Schedule forms provided and must be accompanied by a bid security in a penal sum of not less than 5% of the total amount of the bid submittal. The security may be in the form of a certified check, cashier's check or bid bond furnished by a reliable surety company having authority under the laws of Texas to write surety bonds in the amount required, with such security made payable without recourse to the City. The envelope containing the bid shall indicate clearly on the front that it is a bid for Lake Pump Station Backup Generator Project.

The final Notice of Award of Contract shall be issued to the successful bidder by the City within 60 days following the opening of bids and no bidder may withdraw a bid within 60 days after opening thereof. The successful Bidder must furnish a performance bond and payment bond on the forms provided, each in the amount of 100% of the contract amount, from a surety company authorized by the State of Texas to act as surety.

State statutes, including Prevailing wage and hour provisions and contract regulations must be adhered to as they relate to this Project. Contractors will be required to comply with all applicable Equal Employment Opportunity laws and regulations.
