Subject: RE: PCDC Budget

Brandon,

We are just beginning our budget process. We will formally review and approve our budget at our retreat/special meeting on September 8. We will be ready for Council approval on the last meeting in September as has been our traditional practice. There currently is not a draft budget and we have not traditionally asked for City Staff approval of our draft or final budget.

If you have any questions or concerns please let me know.

Regards,

Floyd M. Akers J.D.

Floyd

Please advise regarding your schedule for the Council's approval of your budget for FY 2013. At this time, we've not had an opportunity to see any draft.

Brandon Wade
City Manager
