

2020-8805

Approving the award of a construction contract for the High Service Pumping Station Expansion and Colorado River Pump Station Improvements Projects to Legion Development Inc., the lowest responsible bidder of four (4) bids received on November 11, 2020, in the amount of \$1,441,345.00

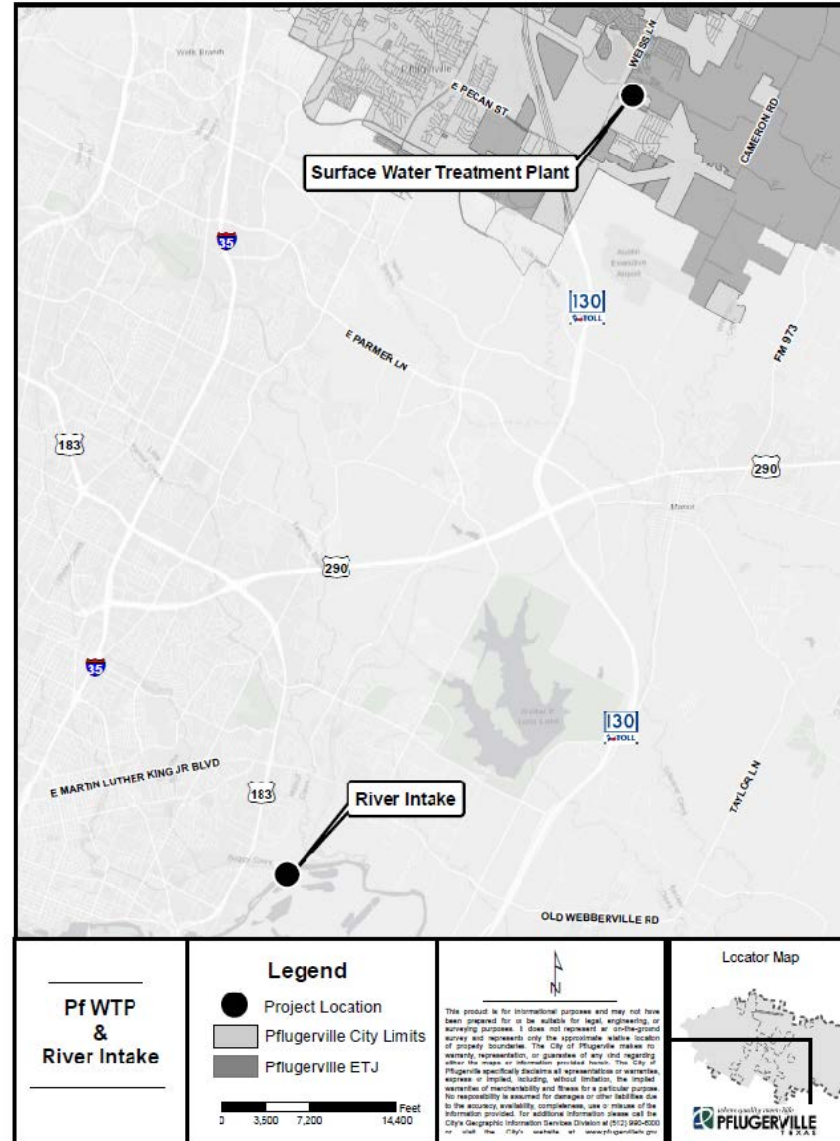

# Overview

- Staff solicited a public bid for this work to be completed that ran online and in local papers for any general construction contractor to bid on.
- The work for this project consists of the addition of a High Service Pump to increase our treated water capacity to 25.71 MGD to meet growing water demands as well as install a permanent zebra mussel control system at the Colorado River Intake.

# Project Locations

# Bid Tabulation
