Re: Notification of Affordable Rental Housing Application(s) Proposed in Your City

Dear Mayor Gonzales:

The Texas Department of Housing and Community Affairs (the "Department") is in receipt of a preliminary application(s) for possible funding through the Competitive Housing Tax Credit Program to develop or acquire affordable multifamily rental housing in your community.

This notification is made in accordance with Tex. Gov't Code §2306.1114 to ensure that you are fully informed of the housing activity in your district and so that you can provide input on the proposed application(s) if you so choose. The Department greatly values your views concerning the need for affordable rental housing within your community and how the proposed development(s) may address that need. Additionally, state law provides an opportunity for the applicable local jurisdiction (the city and/or county) to affect the scoring of an application by issuing a local resolution of support or neutrality in accordance with Tex. Gov't Code §2306.6710(b)(1)(B). In order to affect the scoring of an application within its jurisdiction, the local government resolution must be submitted on or before March 1, 2017, identify the specific development, and clearly state support or no objection. Once submitted, the resolution cannot be withdrawn or amended. More information can be found on page 25 of the 2017 Qualified Allocation Plan found at <http://www.tdhca.state.tx.us/multifamily/docs/17-QAP.pdf>

Should the applicant(s) submit a full application to the Department on or before March 1, 2017, the Department will notify you again with more detailed information about the proposed development and provide information related to general public comment including statewide hearings. The Department's mission is to administer its assigned programs efficiently, transparently, and lawfully and to invest its resources strategically while developing high quality affordable housing which allows Texas communities to thrive. Through our rental production programs, the Department encourages the new construction or rehabilitation of affordable multifamily housing, primarily through private developers. These developments benefit Texans in your community by providing potential employment, local tax revenue, and affordable, safe, and high quality housing for eligible households.
