4 Public Hearing

- 4A** [ORD-0410](#) To receive public comment and consider an application for the rezoning of Lot 1 Block A Greenridge Subdivision Phase 8, generally located southeast of the N. Heatherwilde Blvd and Cheyenne Valley Dr. intersection. The proposed request is to rezone the north 0.78 acres from Agriculture/Conservation (A) District to Office (O) District, and the remaining 1.8 acres from Agriculture/Conservation (A) District to Retail (R) District; all to be known as 19501 Cheyenne Valley Drive Rezoning. (REZ1712-03).

Jeremy Frazzell, Assistant Planning Director presented this item.

Mr. Frazzell gave a history of the property and identified the zoning districts of the surrounding properties. He stated that originally the applicant (Glen Coleman) requested to rezone the whole property to retail but thru discussion the applicant had agreed to zone the northern portion to Office (O) and the southern portion to retail (R). The (O) zoning district is a less intense district than the retail and limits land use. The applicant has also given the City a no access easement along Cheyenne Valley Dr. Meaning that there will be no vehicular access to or from Cheyenne Valley. The two properties will have shared access off of Heatherwilde Blvd. The applicant has also met with the HOA to address additional concerns from the residents of the Greenridge subdivision. Mr. Frazzell stated the Comprehensive Plan calls for low to med density single family this area. Being that the road is at a corner of the subdivision on a collector road, the use fits in line with Comprehensive Plan for the area. The applicant has also worked closely with the city and HOA to address additional concerns. Therefore the city recommends the approval of the rezoning.

Chair Flores invited Mr. Coleman to address the Commission and answer questions. Mr. Coleman stated that the intended use for the (R) district is a gas station and small car wash, along with a sandwich shop or other restaurants that fits in with the conditions of the (R) district. At this time the applicant has no plans for the parcel that will be rezoned (O). He also spoke about the no access easement and mention that he has a private agreement the HOA. He said that he has worked closely with the residents of the subdivision to address

their concerns and spoken to the owner and made arrangements with the owner that adjoins the property to the east.

Anthony Nguyen, 19905 Tree Sap Way, stated that he was chosen as the spokesperson for the HOA. The HOA has no official stance on the rezoning. He stated that the HOA would prefer a different type of business at the corner instead of a gas station but they realize that land would be developed eventually. He reiterated that there was a private agreement made with Mr. Coleman in regards to the landscape easement that borders the property on the west and north side.

Butch Novak, 2019 Boone Valley Dr, stated that he was against the rezoning for the property. He doesn't feel a gas station is needed for the site since there is a gas station across the street and within a mile either way along Heatherwilde and Red Bud. He feels the property is best left undeveloped since it would add to traffic for the intersection.

Eugene Rolison, 15909 Cheyenne Valley Dr., lives directly next door to the subject property. He doesn't want a gas station to be built on the site. He fears for his safety since he has watched the gas station across the street be broken into or attempted to be broken into. He asked that the city please provide some measure of protection when permitting the project. He stated that he as well has an agreement with Mr. Coleman to build a masonry wall on the west and south sides of his property.

Commissioner Mitchell motioned to close the public hearing. Commissioner Williamson seconded the motion. All in favor. Motion carried.

Chair Flores motioned to approve item 4A as read. Commissioner Ruiz seconded the motion. 4 yay (Chair Flores, Commissioner Ruiz, Commissioner Guerrero, and Commissioner Williamson), 2 Nay (Commissioner Mitchel and Vice Chair Epstein). Motion carried.
