The Honorable Victor Gonzales
Mayor of Pflugerville
100 E. Main Street, Suite 300
Pflugerville, TX 78660

Dear Mayor Gonzales:

On behalf of the Pflugerville Community Development Corporation (PCDC), I would like to extend an invitation to the City Council, the Planning and Zoning Commission and the City Staff to participate in an out-of-city tour to explore selected fast growth communities (Frisco, Plano, and/or McKinney) in the Dallas Metroplex this Fall.

The purpose of this event is to provide an opportunity for engaged conversation between City-PCDC staff, elected and appointed officials and their peers in other communities regarding historical and current development. These discussions, coupled with the area tours, provide a virtual learning experience to gain new insights and align with the Comprehensive Economic Development Strategic Plan (CEDSP) which calls for increased communication with the City and other organizations that impact Pflugerville's economic development opportunities.

The trip would be coordinated by PCDC Staff to include transportation, an agenda for visitation and tours to the selected cities, and arrangements for overnight lodging. The Board is planning to schedule the trip based on our participants and hosting city availability. I am sure that the City Attorney will want to provide consultation regarding the Open Meetings Act. Our attorney opinion requests that we not exceed three representatives from each public body.

Mayor, we look forward to your response. Please do not hesitate to contact me with any questions.

Respectfully,
