

where quality meets life

PFLUGERVILLE TEXAS

2019 PF 101

Citizens are invited to participate in PF 101. PF 101 is a Citizens Academy used by the City to teach residents about our day to day functions and roles of the local government. We believe that it helps build the relationship with the community while encouraging our citizens to participate in civic functions. The purpose of PF 101 is to educate residents about operations, cultivate future leaders, and showcase talents of staff.

PF 101 will consist of eight informational sessions, featuring presentations by multiple representatives from the City of Pflugerville departments, and will be held weekly at various City facilities. Class size is limited to 20 people per session and participation is free. The class will meet every Wednesday evening from 6:00pm until 8:00pm beginning January 9th and ending March 12th. Class will not be held on February 13th. Participants are strongly encouraged to attend all eight sessions but are allowed one meeting excuse. Participants will not graduate if absent from more than one session. Snacks and drinks are provided. Participants are welcomed to bring a brown bag lunch if so desired. Graduates will be recognized at the City Council meeting on Tuesday, March 12th, 2019 at 7:00 pm. Graduates are invited as the City Manager's guest to attend the Volunteer Banquet on April 2, 2019.

It is easy to apply. Complete and return the 2019 PF 101 Application. The deadline for submitting application is 5:00pm on Monday, December 31st, 2018.

For more information call (512) 990-6101 or email Jennifer Stubbs, Assistant City Secretary at jennifers@pflugervilletx.gov
