Nailed It! Cake Challenge: Guests worked in groups to assemble and decorate a gingerbread house-style cake.

Our librarians and guest judge, cake artist Kass Jimenez, decided who nailed it! Thanks to Over the Top Cake Supplies for providing supplies for this event.

Noon Year's Eve Party: Those who couldn't stay awake for a late night New Year's Eve party danced away the end of 2018 at this family friendly celebration. Guest made crafts and counted down to noon.

An Afternoon with Santa: Each December, Santa Claus visits the Pflugerville Public Library. Children took a picture with and worked on crafts with their parents.

Special thanks to Assistant Director Daniel Berra for stepping in as Santa this year. Also, thanks to the Friends of the Pflugerville Library for sponsoring and assisting at this annual event.
