Re: Pflugerville Parkway 12" Water Line  
Engineer - Letter of Recommendation for Contract Award

Dear Mr. Atterstrom:

We have studied the three bids received on the subject construction project. Manville Water Supply Corporation has worked with all three bidders on past construction projects. All three bidders are well qualified to accomplish the work involved on this project. They each have the financial qualifications to bond the project and complete the work involved.

Therefore, we recommend awarding the contract to the low bidder - Nelson Lewis, Inc., Marble Falls, Texas.
