Total Program Attendance	1,820	1,297	31,279	40,582

Library programs for children were on hiatus for the month of August. Programs for adults and limited programs for all ages continued.

Senior Lunch and Learn: Harmonica Basics: Dr. Keith taught seniors the skills they need to play their favorite melodies. He covered the history of the harp, the variety of harmonica types, and how to play “by ear” without the need to read music notation.

Mini Horse Petting Zoo for Adults:

The mini horses from the North Wind Horse Farm were back for a petting zoo. The program provides

stress relief for adults as well as an opportunity to enjoy a petting zoo for themselves.

Public Health Screenings:

Austin Public Health offered free health screenings for the public: Blood Pressure, Cholesterol,

Blood Sugar, and Health Resources were free and available to all adults.

¹ This is the Fiscal Year to date. The City of Pflugerville’s fiscal year begins Oct. 1st and ends Sept. 30th.
