City Engineer  
City of Pflugerville, Texas  
15500 Sun Light Near Way, #B, Bldg 6  
Pflugerville, Texas 78691

Re: Central Wastewater Treatment Plant Expansion

Dear Ms. Davis:

Freese and Nichols has reviewed the three competitive sealed proposals received by the City on September 26, 2019 for the Central Wastewater Treatment Plant Expansion Project. Based on our review of all proposals and having observed the proposal evaluation process by the City's proposal review committee, Freese and Nichols concurs with the determination made by the City's proposal review committee that the proposal of BAR Constructors, Inc. in the amount of \$41,863,737.00 and schedule to achieve substantial completion of 693 days, is the best value proposal to the City of Pflugerville, and we recommend award of the contract to BAR Constructors, Inc.

Sincerely,

Kendall King, P.E.  
Vice President
