

2020-8746

Approving a professional services agreement with
Kimley-Horn and Associates in the amount of
\$69,994.20 for professional engineering services
associated with Grand Avenue Parkway Pavement
Repair project

Background

- Grand Avenue Parkway was reconstructed in 2017 for pavement repairs, from approximately Viki Lynn Place to Picadilly Drive.
- Pavement failures and distress areas have occurred along the project limits following the 2017 reconstruction.
- An initial Pavement Distress Evaluation was performed in April 2019 to evaluate pavement condition, identify root cause of pavement failure, and provide pavement rehabilitation options.

Scope of Services

- Project Management & Quality Assurance
- Data Collection and Review
- Pavement Condition Evaluation
- Geotechnical Exploration
- Pavement Repair Report

Staff Recommendation

Staff recommends approving a professional services agreement with Kimley-Horn in the amount of \$69,994.20 for professional engineering services associated with the Grand Avenue Parkway Pavement Repair project
