Director's Updates including information about the Project Status Report, Monthly Departmental Financials and Upcoming Special Events.

Ms. Crouch introduced the topic. Mr. Hemenes began with an update on the November 2014 Bond Election projects. Wilbarger Creek Park is in design. The Trail Gaps project is nearing completion--\$985K of the \$1M awarded funding has been spent and another \$120K is needed to complete the remaining gaps. Change Order #1 was approved by City Council to allow funding to be supplemented from the Parkland Dedication Fund to cover the cost of the remaining trail gaps. The Gilleland Creek Trail Gap project's construction documents are 100% completed, an easement from the Heatherwilde HOA has been granted to the city and the plans have been submitted to TPWD for their review. Stone Hill Park construction has begun and they're currently working on the installation of environmental controls. Phase 1 of 1849 Park is moving along—the practice fields are at finish grade, irrigation is 50% completed and the wastewater line is currently going in. Ms. Dryden also mentioned that she has received final pricing for the playscapes that will be going in at Moose Park, Genevas Park, and North Park. Ms. Cosel announced that the Pfarmers Market will start up again in March and April with the early market days, and Spring Pfling will be on Saturday, March 25 from noon – 3 p.m. at the Recreation Center. Ms. Cosel also announced that the Pfirecracker Pfestival has been moved from Lake Pflugerville to the new stadium being constructed by PfISD, the Pfield. This year's event will be an evening only event VS. past year's events being all day long with music and vendors and children's entertainment. The event will begin at 6 p.m. and we will still have live music and food vendors. Deutschen Pfest this year will be held May 19, 20, and 21. Mr. Capetillo briefly spoke about volunteer needs and expectations from the Commission members during Deutschen Pfest weekend.
