Discuss and consider action to approve a resolution establishing a City of Pflugerville Purchasing Policy.

City staff developed a Purchasing Policy to establish a uniform policy for obtaining goods and services that is consistent with legally mandated purchasing requirements. The application of a comprehensive policy is critical to all City of Pflugerville employees and stakeholders in order to ensure that public funds are expended in a responsible and legal manner. The Finance and Budget Committee met on January 28, 2021 and took action to recommend the attached policy for Council approval.

The addition of a Procurement Manager will be needed in order to fully implement the policy as planned.

The Finance & Budget Committee met January 28, 2021. The committee reviewed and recommended the policy as presented. An additional recommendation was made by the committee to implement a program tracking the utilization of Historically Underutilized Businesses by establishing goals, metrics and tracking peer cities results.
