Approving a Memorandum of Understanding between Flock Group, Inc. ("Flock Safety") and the City of Pflugerville for access to Flock's technology platform (the "Flock Service") for investigative purposes and authorizing the Chief of Police to execute same.

Flock Safety operates wireless cameras throughout the State of Texas, and the Nation, designed to capture license plates and vehicle information. Flock Safety gathers information that can be used by local police to investigate crime, at no cost to the City. If approved, the Pflugerville Police Department will have access to data already being captured by Flock Safety through cameras in their network.
