Approving the purchase of Cisco switches from Presidio Networked Solutions Group, LLC. in the amount of \$78,656.40 utilizing Texas DIR-TSO-4167 purchasing cooperative contract, and authorizing the City Manager to execute the same.

The purchase of these four distribution switches are a part of the city's network redesign. Currently, our network is flat which causes inefficiencies. These distribution switches will allow for a three-tier hierarchal design. This design allows for the deployment and maintenance of a more scalable, trustworthy, and reliable network.
