Recognition of Pflugerville Community Development Corporation as an accredited economic development organization.

The International Economic Development Council (IEDC) announces that the Pflugerville Community Development Corporation has once again been recognized as one of 68 economic development organizations accredited by IEDC as an Accredited Economic Development Organization (AEDO). Originally accredited in June of 2019, the organization was reaccredited by IEDC following a thorough review of PCDC operations, best practices, and letters of support from partners in the community over the past three years.
