Approving a resolution authorizing the City Manager to execute a Post-Annexation Provision of Services Agreement, providing that upon annexation the City will provide standard City services to a tract of land totaling approximately 50.122 acres of land situated in the William Caldwell Survey No.66, Abstract No.162 and a tract of land totaling approximately 22.563 acres of land situated in the William Caldwell Survey No. 66, Abstract No. 162, Travis County, Texas, within the City's extraterritorial jurisdiction. The property is located at 16422 Cameron Road, to be known as the Murchison Annexation (2022-3-ANX).

Chapter 43, Subchapter C-3 of the Texas Local Government Code authorizes municipalities to annex property on the request of all property owners in an area. However, pursuant to Texas Local Government Code Section 43.0672, the City must first negotiate and enter into a written agreement with the owners of land in the area for the provision of City services. The attached agreement satisfies this requirement and includes a list of each service the City will provide on the effective date of the annexation and a schedule that includes the period within which the City will provide each service that is not provided on the effective date of the annexation. The attached agreement will be effective upon the City's adoption of an ordinance annexing the area.

The proposed annexation consists of approximately 72.685 acres located at 16422 Cameron Road, within the City's extraterritorial jurisdiction. The subject property is contiguous to properties within the City limits and therefore is eligible for voluntary annexation in accordance with state law. The area is unimproved and therefore does not incur maintenance/operations expenses at this time.

City Attorney has approved the resolution as to form.
