Approving the purchase of switches for the annual replacement of network devices utilizing a Texas Department of Information Resources (DIR) cooperative contract in the amount of \$117,778.34, and authorizing the City Manager to execute the same.

Annually, the city replaces network equipment which are approaching end of life. This replacement will ensure continued network stability and security by proactively replacing hardware that will no longer receive hardware support from the manufacturer.

This budgeted item amount was incorrect on FY23 approved purchase list. However, the amount presented was accounted for in the budget.
