Discuss and consider action on \$5 million CO bond issuance for EMS

The City's Bond Council, Financial Advisor, and Finance Director all recommend not issuing \$5M certificates of obligations for EMS based on the following reasons:

- EMS COs will contain very specific bond covenants restricting use of the bond proceeds for no other use.
- The City does not currently have a plan to spend the funds. When issuing tax exempt bonds you must be able to certify you expect to spend the funds within 36 months.
- Tax rate will reflect debt service of the \$5M .
- Arbitrage issues, you cannot earn more interest on the investment of the bond proceeds than the interest paid on the debt.
