The 1849 Park Intersection Improvement project is located along Cameron Road between Pecan Street and Fuchs Grove Road in unincorporated Travis County. Based on the recommendations in the traffic impact analysis study conducted for the park, the City of Pflugerville will install a left-turn lane in the eastbound direction on Cameron Road to allow left-turns into the park.

The attached bid tabulation shows the four (4) bids in which Aaron Concrete Contractors, was the low bidder at \$374,532.50.

The project was advertised for bids on September 25, 2019, four (4) bids were received and opened on October 10, 2019
