Conduct a presentation on the Pfetch a Ride program.

On August 23, 2022, the City Council approved a contract with TRIPPP Consulting to provide transit for the City through Uber and Maruti. The Pfetch a Ride program is a voucher program that offers the opportunity for residents and visitors traveling within the city limits and to and from Tech Ridge Park and Ride the opportunity to utilize an alternate means of transportation. The program provides ten, \$10 vouchers to use in a month which establishes an initial cost per ride of \$4. Any ride over \$14 is paid for by the rider.

Staff and the consultant team will present data on the first year of the program.
