Approving a contract with WeBuildFun, Inc. in the amount of \$117,038.80 to provide playground replacement at Wuthrich Park, and authorizing the City Manager to execute the same.

Current playground in Wuthrich Park is 19 years old and was built in 2003. The industry standard for playground replacement is 15 years. Parks and recreation staff is replacing 2 playgrounds a year through the CIP program. This being one of the oldest in our park system was approved to be replaced in this fiscal year.

The new proposed playground structure is classified as a 5-12 structure but has elements for younger kids i.e. the 4 ft. deck with the slide, the curved climber, bumper ladder and bongo stepping pods.

The Current shade fabric will be replaced with a new one, but the existing frame will stay in its current condition. The vendor will power wash and clean the posts before the new shade is added on.
