Approving the Assistant City Manager as an additional proxy to the Community Advancement Network (CAN) board of directors.

Community Advancement Network (CAN) is a partnership of government, non-profit, private and faith-based organizations who work together to enhance the social, health, educational and economic well-being of Central Texas. CAN provides a unique, collaborative forum to enhance awareness of issues, strengthen partnerships, connect efforts across issue areas, and facilitate development of collaborative strategies. The City of Pflugerville participates in CAN and has one council member on the CAN board of directors.

The CAN board of directors:

- Supports the organization’s vision, mission, and purpose.

- Approves the strategic direction of the organization and ensures effective organizational planning to achieve the CAN mission.

- Selects the Executive Director and supports the Executive Director in fulfilling the CAN mission and role.

- Approves the CAN budget, provides financial oversight and ensures there are adequate resources to implement the CAN mission.

- Determines, monitors, and strengthens organizational programs and services.

- Enhances the organization’s public standing.

- Ensures legal and ethical integrity and maintains accountability.

For additional information on CAN, please see their website: <http://canatx.org/>.
