Conduct a presentation introducing the Youth Advisory Council (YAC) 2023 participants.

The Youth Advisory Council allows students to learn about local government. Requirements for the program are that the student live in city of Pflugerville limits and that they are 17 years old. The Youth Advisory Council participants will volunteer at city events, tour city facilities and attend various board and commission meetings. Each class will select a class project to complete over the course of the year. The youth advisory council will end the program with a presentation to City Council.

The Youth Advisory will meet twice a month, one virtual and one in person. The virtual meeting will consist of a monthly update for the group and a presentation from the city department of the month. The second meeting will involve the Youth Advisory council attending the assigned departments board and commission meeting. The Youth Advisory Council will also have the chance to meet the board chair and members.
