Presentation regarding the development process.

Each month through 2021, staff will provide a presentation item related to the planning and development service function of the city. For January, staff will discuss the development process. Future agenda topics include:

- February - Zoning and PUDs
- March - Subdivisions
- April - Infrastructure
- May - Site Development
- June - Legislative Session
- July - Parks
- August - Comprehensive Plan
- September - Economic Development
- October - National Planning Month
- November - Geographic Information Systems
- December - Comprehensive Plan Adoption
