Mayor's proclamation declaring the week of April 9 to April 15, 2023 as National Public Safety Telecommunicators Week in the City of Pflugerville.

National Public Safety Telecommunicators Week is designated as a time when citizens can thank the men and women who work in public safety positions, respond to emergency calls, and dispatch emergency professionals and equipment during times of crisis. Citizens can show gratitude to 9-1-1 calltakers, dispatchers, technicians that maintain radio and emergency phone systems, communications staff trainers, communications center personnel, and other public safety telecommunications staff across the country who work tirelessly, often behind the scenes, to help you during emergencies. For additional information, please see the web site: <http://www.npstw.org/>.

The Pflugerville Police Department's communication team cares for the Pflugerville community and works diligently around the clock to provide service for the citizens as well as the police officers. Mayor Victor Gonzales is scheduled to recognize the Pflugerville Police Department's communication team and to present this proclamation at this meeting.
