Legislation Text

File #: RES-0860, **Version:** 1

Approving a resolution of the City Council of the City of Pflugerville, Texas, directing the City Manager or the City Manager's designee to execute all documents to institute eminent domain proceedings for the acquisition of 5,024 sf right-of-way acquisition, a 2,329 sf public utility easement and a 36,206 sf drainage easement out of the 1.00 acres (43,560 square foot), parcel of land situated in the Philip Golden Survey No. 17 in Travis County, Texas; property owned and claimed by KM Avalon, Ltd.; and directing the city attorney to initiate condemnation proceedings.

This resolution has been included on the agenda to allow for discussion and potential action regarding land acquisition (Parcel 8) needed for the Kelly Lane Phase 2 Roadway Project. As part of the project, it is necessary for the City to acquire this property. The property owner has agreed upon an amount of the easement but has not agreed upon the easement language. Staff, City legal counsel and the City's land acquisition consultant, Seven Arrows Land Staff LLC., conducted several discussions with the Attorney for the property owner regarding the easement language. The property owner is seeking additional easement language that is not feasible for the City.

This resolution authorizes the City Manager to execute all necessary documents to institute eminent domain proceedings if the final formal easement language is not accepted.
