---

Discuss and consider action regarding traffic congestion and recommended improvements within the FM 685 and SH 130 corridors from Rowe Lane to Pflugerville Parkway.

This item is being presented to solicit discussion and input regarding traffic congestion and recommended improvements within the FM 685 and SH 130 corridors from Rowe Lane to Pflugerville Parkway. Multiple developments exist and are proposed within this corridor and have provided Traffic Impact Analysis (TIA) reports for staff and Texas Department of Transportation (TxDOT) review and subsequent approval. Staff has been reviewing each of these to achieve the best solutions throughout the corridors using elements of each and will present recommendations to the City Council. The product of this discussion will then be presented to the TxDOT North Travis County Area Office.
