Legislation Text

File #: 2021-1318, **Version:** 1

Approving a Final Plat for Grove at Blackhawk Section 2; a 35.236-acre tract of land out of the James P. Kempe Survey No. 12 Abstract No. 464 and the Juan Zambrano Survey No. 38, Abstract No. 845; Travis County, Texas. (FP2103-04)

The property is generally located north of Cele Road and east of Hodde Lane and west of Melber Lane, east of Cele Middle School, in the extraterritorial jurisdiction (ETJ) of Pflugerville. The subject property is in the ETJ and not subject to the city's zoning ordinance. The property is governed by the Lakeside MUD No. 5 Comprehensive Development Agreement which limits the uses within this section of the development to the Single-Family Residential (SF-R) District and the commercial/retail lot will follow the zoning district requirements for the City of Pflugerville's Neighborhood Services (NS), or Retail (R) requirements stated in the Amended and Restated Comprehensive Development Agreement (Lakeside MUD No. 5). The final plat proposes to establish five (5) blocks with 64 single family lots, two (2) MUD drainage/ public utility/access easement lots, one (1) commercial/retail lot, two (2) landscape lot managed by the HOA. This final plat is tied to the Grove at Blackhawk Preliminary Plan (PP1909-01) that was approved on December 7th, 2020. The remainder area will be filled with right of way dedication and pedestrian access routes. Right of way dedication has been proposed along Cele Road extending 57' into the property along the extent of the road. Right of Way (ROW) dedication for seven (7) streets has been included. Each proposed street will be 50 feet wide apart from Janke Lane, which will be 70 feet wide. The total ROW dedication will be 3.875 acres. The "Boundary Road Construction Payment" is \$1200 per lot per the Development Agreement. The "Road Infrastructure Payment" is based on the TIA. The Roadway Impact Fees are assessed at time of approval of the plat according to Ordinance 1470-20-11-24 and will paid prior to the issuance of any building permit. Access to Travis County roadways will require a permit from Travis County. Water and Wastewater service will be provided by Lakeside MUD No. 5. Pursuant to the Lakeside MUD No. 5 Development, the required parkland dedication for this section is 2.61 acres, the plat is showing a dedication of 6.96 acres. Tree mitigation will be required prior to any tree being removed. If a tree will be retained, the tree protection standards will be required.

The Final Plat meets the minimum state and local requirements and staff recommends approval.

Emily Draughon, Planner II
