Discuss and consider authorizing the City Manager to execute a conditional purchase agreement, easement purchase agreement, and associated conveyance documents between Robert F. Prater and Janet Prater and the City of Pflugerville as necessary to acquire real property interests for the Weiss Lane Roadway Project.

The Weiss Lane Roadway Project requires property acquisition, including the acquisition of right of way and a public utility easement necessary to construct the project. The City's property acquisition consultant and city staff have negotiated with Robert F. Prater and Janet Prater for the needed right of way and easement. The cost of \$53,326 for a conditional purchase agreement and an easement purchase agreement has been agreed upon, subject to City Council approval, based on negotiations between the property owner and City.

Approval of this item will authorize the City Manager to execute a conditional purchase agreement, an easement purchase agreement, and associated conveyance documents necessary for formal conveyance of the real property interests.

The City Attorney has reviewed and approved the language of the purchase agreement.

Fiscal Impact

Funding for acquiring this property is from the 2014 and 2015 GO Bond funds and Travis County road bonds.

Staff Recommendation

Authorize the City Manager to execute a conditional purchase agreement, an easement purchase agreement, and associated conveyance documents between Robert F.
