Approving the selection of Halff Associates, Inc. for professional engineering services associated with the 2020 Transportation Bond Program Project: Street Reconstruction Package 1 and authorizing the City Manager to execute a professional services agreement in the amount of \$467,198.76.

The City of Pflugerville solicited requests for qualifications from engineering firms for services associated with the 2020 Transportation Bond Program (the "Program") Street Reconstruction Projects. City staff received seventeen statements of qualifications (SOQs) which were reviewed, scored and ranked. The top six firms were interviewed to determine three recommended firms. Package assignments were determined by the firm's unique qualifications and preference. Staff recommends the selection of Halff Associates, Inc. for professional services associated with Package 1 (the "Project").

This Professional Services Agreement is for the engineering design of Street Reconstruction Package 1. Package 1 includes the following streets:

- Applewood Drive
- Cedar Ridge Drive
- Kay Lane
- Meadow Creek Drive
- Mountain View Drive
- Oak Ridge Drive
- Plumbago Drive
- W. Custers Creek Bend
- 10th Street

The Project includes preliminary investigation, design, bid, and construction administration services for rehabilitation of the Package 1 Streets.

The Scope of Services include field surveying, subsurface utility engineering, preliminary and final design, public outreach, environmental services, geotechnical studies, hydrologic/hydraulic analysis, preparation of construction documents, bid phase services, and construction administration services.

Approval for the design and construction of the project was provided as one of the voter-approved 2020 General Obligation Transportation Bond projects.
