Presentation of Government Finance Officers Association awards to the City of Pflugerville.

The Government Finance Officers Association of the United States and Canada (GFOA) has established several highly regarded professional recognition programs to encourage and assist state and local governments to improve the quality of their financial management and reporting, and to recognize their achievement. The City has applied for and received three of these awards for documents completed during the past year:

- Distinguished Budget Presentation Award for the 2017 fiscal year budget
- Certificate of Achievement for Excellence in Financial Reporting (CAFR) for the fiscal year ended September 30, 2016
- Popular Annual Financial Report (PAFR) for the fiscal year ended September 30, 2016

This is the thirteenth award for the City's budget, the thirteenth award for the City's CAFR, and the seventh award for the City's PAFR.

These awards are the highest form of recognition in governmental financial reporting and budgeting. Their continued attainment reflects the commitment of the City Council and City staff to meeting the highest principles of governmental financial reporting and budgeting. An independent panel of reviewers reviewed each document and determined that the City's documents satisfied nationally recognized criteria for effective presentation.

All of these documents can be viewed on the city's website www.pflugervilletx.gov/finance. The PAFR is available at City Hall and various City offices.
