Discuss and consider action approving a Cost of Living Adjustment wage increase for all city personnel.

Given inflation rates in excess of 8.5%, the rising cost of living in Pflugerville and the surrounding areas, and the desire to recruit and retain a talented workforce in a very competitive market, it is proposed that City Council approve a Cost of Living Adjustment (COLA) to base pay for all city personnel. The table below shows the cost to implement a COLA at either 5% or 7% effective July 3, 2022 through the end of FY22. Due to vacancies and turnover, there are sufficient salary savings within our FY22 operating funds to cover the COLA at either level.

	5% COLA	7% COLA
General Fund:	\$301,507	\$422,110
Water/Wastewater Fund:	\$56,789	\$79,506
