---

Approving a professional services agreement with Black & Veatch Corporation, in the amount of \$342,796.30 to provide Preliminary Engineering Report phase services associated with the 30/24-inch State Highway 45 Pump Station Discharge Line project, and authorizing the City Manager to execute the same.

On April 1, 2024, City of Pflugerville selected Black & Veatch Corporation to provide Preliminary Engineering Report phase services associated with the 30/24-inch State Highway 45 Pump Station Discharge Line project. This proposed water line will run parallel to the northern frontage road of State Highway 45 and will connect the future State Highway 45 Pump Station to 960' Pressure Zone. This project will provide additional conveyance capacity to serve growth in the 960' Pressure Zone. This item supports the Infrastructure Pillar of the Strategic Plan.

The project scope of services includes the validation of the anticipated alignment and assessing the following factors: community, cost, engineering, construction, regulatory, geotechnical, and environmental. Black & Veatch Corporation will prepare a Preliminary Engineering Report summarizing the findings and recommendations given in the technical memorandum. The Preliminary Engineering Report will serve as a guide for future design phase services.
