Discussion regarding the Downtown East Project Update.

This item has been included to allow for an update regarding the Downtown East Project. The Downtown East project is located on +/-29 acres located at the northwest corner of Pecan Street and FM 685. Discussions for Downtown East have included aspirations to leverage the central Pflugerville location to become a mixed- use development with connections to Main Street and the City's hike and bike trail network anchored by the proposed new multi-generational recreation center and new city hall.

The purpose of this presentation is to update the City Council and the community on the progress thus far and the anticipated steps over the next several weeks, including stakeholder input and community engagement. Information on the project and timeline is available at pflugervilletx.gov/downtowneast.
