Legislation Text

File #: RES-1085, **Version:** 1

Approving a resolution regarding joining opioid settlements with Allergan, CVS, Walgreens, and Walmart.

The proposed Settlements require Allergan to pay \$135 million, CVS to pay \$304 million, Walgreens to pay \$340 million, and Walmart to pay \$170 million (the "Settlement Amount") to Texas and its political subdivisions. Of the Settlement Amount, the vast majority is earmarked for use by Texas and its subdivisions to remediate and abate the impacts of the opioid crisis. The Settlements also contain injunctive relief provisions governing the opioid marketing as well as the sale and dispensing practices at the heart of the opioid claims in the lawsuits.

The subdivisions within Texas are entitled to decide whether they wish to participate in the settlement. Any subdivision that does not participate cannot directly share in any of the settlement funds.

Detailed information about the Settlements may be found at the website set up by Office of the Attorney General of Texas: <https://www.texasattorneygeneral.gov/globalopioidsettlement>.
