Authorizing the City Manager to execute a conditional purchase agreement, easement purchase agreement, and associated conveyance documents between Joe Weiss and Mary Emily Weiss and the City of Pflugerville as necessary to acquire real property interests for the Weiss Lane Roadway Project.

The Weiss Lane Roadway Project requires property acquisition, including the acquisition of right of way and a public utility easement necessary to construct the project. The City's property acquisition consultant and city staff have negotiated with Joe Weiss and Mary Emily Weiss (Parcel 5) for the needed right of way and easements. The cost of \$79,301 for a conditional purchase agreement and an easement purchase agreement has been agreed upon, subject to City Council approval, based on negotiations between the property owner and City.

Approval of this item will authorize the City Manager to execute a conditional purchase agreement, an easement purchase agreement, and associated conveyance documents necessary for formal conveyance of the real property interests.

The City Attorney has reviewed and approved the language of the purchase agreements.

Fiscal Impact

Funding for acquiring these property interests is from the 2014 general obligation bonds.

Staff Recommendation

Authorize the City Manager to execute a conditional purchase agreement, an easement purchase agreement, and associated conveyance documents between Joe Weiss and Mary Emily Weiss and the City of Pflugerville as necessary to facilitate the conveyance of and acceptance of real property interests needed to construct the Weiss Lane Roadway Project.
