Approving a resolution approving the Preliminary Official Statement and authorizing distribution of such Preliminary Official Statement relating to the City's Combination Tax and Limited Revenue Certificates of Obligation, Series 2019 and Limited Tax Bonds, Series 2019.

This resolution approving the Preliminary Official Statement is the next step in the process of issuing debt to finance projects approved by the City Council. City staff, financial advisor, bond counsel, and underwriters have been reviewing and revising the preliminary official statement which is the informational document that is sent to prospective investors and rating agencies. This resolution, prepared by bond counsel, will approve the Preliminary Official Statement and authorize its distribution. A revised copy of the Preliminary Official Statement was emailed to the City Council on Friday, January 4, 2019. A copy of the final Official Statement will be provided to each City Councilmember when it is complete.

This debt issuance includes \$5.225 million of general obligation (limited tax) bonds for transportation projects and \$19.93 million of certificates of obligation debt, comprised of \$7.4 million for transportation and \$12.53 million for wastewater capital improvement projects. The general obligation debt is the first issuance from the \$21.1 million authorized by voters in November 2018. The final step for the City Council in the issuance of this debt is scheduled for January 22, 2019 when Council will conduct a public hearing and award the sale of the certificates and bonds.
