There are two active transit planning contracts in place which complement one another. The interlocal agreement with Capital Metro is for the completion of a Transit Development Plan (TDP) consistent with Capital Metro's service expansion policy. The contract between the City of Pflugerville and the Goodman Corporation was approved by the City Council on October 13, 2015. The consultant was selected via a cooperative purchasing agreement with the Houston Galveston Area Council (HGAC) with which Pflugerville has an interlocal agreement. Generally, the scope of work is to work with and assist city staff during the development of the TDP and seek opportunities for implementation.

As of July 28, 2016, the City has paid \$48,950 of the total contract amount of \$167,000.
