Mayor's proclamation declaring Friday, November 4, 2016 as Arbor Day in the City of Pflugerville.

In 2013, the Texas A&M Forest Service moved the date of Arbor Day from the last Friday in April to the first Friday in November to better correspond with our planting season in Texas. The City of Pflugerville will observe Arbor Day on Friday, November 4, 2016 with a tree planting from 9am to noon at Cambridge Heights Park. A dozen trees of various species will be planted.
